Sri K. HANUMANTHAIYA (Chief Minister and Leader of the House).—The agenda is already supplied to the Hon'ble Members. I think that is definite. In the printed agenda all that has been shown. I think the Legislature Secretariat has supplied it. That is definite.

Sri J. MOHAMED IMAM.—Yesterday I said that the most important Bills that we have to deal with are the Local Boards Bill, the Finance Bill and the University Bill. We have not yet received copies of those Bills. I would like to know if the Government is going to take up those Bills and when the yare going to take them up, whether they will be taken up after the disposal of the financial Bills already circulated. Secondly, the present programme covers work up to the 19th of April. Will that be final or is the session going to be extended ?

Mr. SPEAKER.—That matter cannot be answered off-hand. The Government will take time to decide.

Sri J. MOHAMED IMAM.—He may reply tomorrow. I am making the suggestion to the Leader of the House, because he was not here.
